## ALMOST FAMOUS FILM FESTIVAL

### RECAP - 2022 10 DAY FILM CHALLENGE

The A3F 10 Day Film Challenge took place February 11-21, 2022 with our Public Showcase on March 5 at the Children's Museum of Phoenix.

"What an amazing festival," said Jae Staats, A3F Director. "It felt like our very first film challenge in 2005 at the Ice House ... just very intimate and such a cool setting for our screening!"

18 teams were invited to make a 1-6 minute short film in 10 days while incorporating the Theme, "a Broken Promise," a Line of Dialogue, "I/we should have seen that coming," and a Pen/Pencil as the Prop. "The extra time really made a difference for several of the teams," remarked Jason Francois, A3F Assistant Executive Director. "The quality of the films was top-notch."

A very enthusiastic and sold-out crowd created a memorable "Night at the Museum" as they watched and cheered on the 16 films and the talented filmmakers, cast and crew that made these amazing movies.
