RECAP - 2021 ONE-SHOT SHORT FILM CHALLENGE

The A3F One Minute One-Shot 48 Hour Short Film Challenge took place March 12-14, 2021 with an online Showcase to comply with COVID guidelines.

“With ongoing vaccinations and overall lower COVID cases heading into March,” said Jae Staats, A3F Director. “We decided to host a film challenge to give our filmmakers and their cast and crew an opportunity to get back to a somewhat “normalcy” and make a movie!

The reaction was incredible as 45 teams signed up to make films with just two clicks of the record button! “With so many registered teams and surrounding excitement,” said A3F Assistant Director, Jason Francois, “we decided to give them an extra minute.” Thirty-three teams beat the 48 Hour deadline while incorporating the Theme “Something Unexpected,” a Line of Dialogue, “Didn’t see that coming.” and a Box or Envelop as the Prop.

The Judges Panel watched and scored the films selecting the overall Top 10 and Individual Category Winners before they premiered on our A3F Showcase page much to the delight of the indie film community in AZ and beyond!

“It was a lot of fun, I can’t wait for the next challenge!” — **Gerald Lamb, Witty Pigeons**
